82	67 Extra 75' Radius Switches	RIGHT	75'	YES	NO			

2009 Switch List (South to North)

Line	SW Num Switches	Direction	Radius In Ft	Kick Switch	Switch Stand	Signal Conduit	Spring Controlled	Bonded or Insulated
-------------	----------------------------	------------------	-------------------------	------------------------	-------------------------	---------------------------	------------------------------	------------------------------------

Extra Switch Numbers calculated in porportion to the number of Lefts and Rights expected to be needed

This list assumes Sidings are on the East side of the mainline. If they move to the west side, they still need a left and right switch

2010 Switch List (Farmersville to Caboose Ridge)

Line	SW	Num Switches	Direction	Radius In Ft	Kick Switch	Switch Stand	Signal Conduit	Spring Controlled	Bonded or Insulated
